## LARGEST FLAG TO FLY FROM BUTLER

WILL BE INSTALLED NEXT FRIDAY NIGHT BEFORE FIRST SHOW BY SCOUTS

What is in all probability the largest flag in Tonopah will be installed over the Butler theater next Friday night before the beginning of the first show, according to Jules Smith, manager of that popular house. The Tonopah Boy Scouts will officiate on that occasion, the raising of the flag being under their supervision. At the conclusion of the ceremony the Scouts will stand at retreat before the flag. The size of the flag is 5x16 feet.

As announced heretofore in the Bonanza the Tonopah Boy Scouts have arranged to hold their own flag raising exercises at the flag pole at the intersection of Bryan avenue and Main streets next Friday morning. Friday has been designated as Liberty day by the president and proclaimed a national holiday.

## JOE MURPHY LEADS IN STANFORD RACE

TONOPAH BOY IS ELECTED BUSINESS MANAGER OF THE YEAR BOOK

The people of Tonopah, and particularly the students of the Tonopah high school, will be delighted to hear that our Joe Murphy has been elected business manager of the Year Book. The fact that there were four aspirants for this position and that Joe received far more than a majority of the votes cast speaks well for his popularity at Stanford. Further, it is very unusual for a sophomore to be selected for this important office. The work attached to the office can be accomplished without detriment to his studies and will pay him something like \$200 per month. The work begins with the opening of the university next semester. At the present time Joe is acting upon the advice of the instructor in Ancient gymnastics and is giving boxing lessons to university students who aspire to selection for the boxing tournament with the University of California.

## ONE ADDRESS WEEKLY

Because of the time being given to Junior Red Cross, war savings stamps and other patriotic work, the number of patriotic addresses to be given in the high school has been reduced to one per week. These addresses will be given at the usual hour and on Fridays unless otherwise advertised. The address to be given on Friday morning of this week will be given by Dr. Grigsby.

## VETOES RESOLUTION

(By Associated Press.) MILWAUKEE, Wis., April 23.—Mayor Hoan yesterday afternoon sent to the common council a veto of the Koerner resolution, providing that the city buy \$500,000 worth of Liberty bonds. The mayor in his statement reiterates his contentions, made originally at the first meeting of the new common council, that the resolution should be so amended as to provide for its legalizing by the legislature and that the city ought to be recompensed for the outlay temporarily by levying a tax on war profits.

## SENTENCE RIDER

(By Associated Press.) NEW YORK, April 23.—Convicted on his own confession of using the mails to defraud in soliciting funds for cripples, George W. Rider, secretary of the Cripples' Welfare society, was yesterday sentenced to three years' imprisonment at Atlanta by Federal Judge Mack.

## FLAG SERVICE DRAWS LARGE ATTENDANCE

PYTHIAN LODGE HALL FILLED TO WITNESS PATRIOTIC CEREMONIES

A large crowd attended the dedication of the service flag at Pythian Castle hall last evening. The ceremonies were opened by the singing of the "Star-Spangled Banner" by Mrs. B. M. Bateman. The service flag, which contains seven stars, was then presented to the lodge on behalf of the U. R. K. of P. by C. J. Bevis in a few well-chosen remarks. Past Grand Chancellor Christ Zeigler received the flag and delivered an address which was enthusiastically received. Mrs. J. L. Simmons rendered a service song of her own composition. A neat sum was realized which will be sent to the Y. M. C. A. Cards were then indulged in and the following were the prize winners: Ladies' first prize, Mrs. D. Masters; ladies' second prize, Mrs. T. Carey; ladies' consolation prize, Mrs. Lynn Lewers; gentlemen's first prize, B. M. Bateman; gentlemen's second prize, Mr. Rogers; gentlemen's consolation prize, D. Masters. Dancing followed which was enjoyed until midnight.

## PUTS UP NEW CLOCK

For the convenience of the public Jules Smith, manager of the Butler Theater, has installed a Western Union clock in front of the theater. So much time was lost each day and each night by the congenial ticket seller, Miss Steen, that Mr. Smith thought it was time to aid the public to get the time.

## URGES CLOSING OF STORES

## AVIATOR KILLED

## ROUND MOUNTAIN SENDS IN DONATION

RAISE MONEY FOR THE RED CROSS BY GIVING PICTURE SHOW

A donation of \$100 was received recently from the Round Mountain auxiliary of the Red Cross. The money was raised by giving a picture show. The affair was most successful in every way and the Round Mountain people are to be congratulated on their enthusiasm and ability to get results.

The workers at Beatty are busily engaged in sewing. They sent in forty-four bandages of complicated construction last week.

The Manhattan branch apparently never rests. They sent in last week 19 shirts, 5 pairs pajamas, 2 pairs socks, 5 "T" bandages, 4 pairs drawers, 3 chemises and 2 pinafores. The Tonopah work room shipped last week two boxes shirts and pajamas, one box bandages, and 1 box knitted goods.

Mrs. Hamilton Reid, chief inspector of the Tonopah workroom, received \$52.50 last month from the sale of memberships and gifts from people who refused to give their names, evidently believing in the admonition not to let their right hand know what their left hand doeth. The gratitude of the Nye county chapter is theirs, however, whether their names are known or not.

The new flagpole at headquarters is the gift of the Tonopah Mining company and it was made in their shops.

The committee in charge have decided to indefinitely postpone the tea and dance that were to have been given this coming Friday.

Do not forget the surgical dressings classes on Wednesday and Thursday evenings from 7:30 to 9:30. You can help many a soldier back to life by working those two hours.

## LETTER TELLS OF CAMP FREMONT LIFE

WRITER MEETS MANY MEN THAT FORMERLY LIVED IN TONOPAH

Relative to the life at Camp Fremont the following letter was received yesterday by a resident of Tonopah from a visitor to the camp: "I saw Lieutenant Joyce, who was officer of the guard when I arrived. I had a good visit with him and took lunch with him at the officers' club. "Saw all the Tonopah boys of the 319th later in the day. Paul McGuire is head carpenter at headquarters of the regiment, he also leads the stringed orchestra of the 319th and plays in the regimental band. Ryder Ray also plays in the band but is still doing engineer drill in D company. Kryder, Evans and others are in headquarters company, while Shea is with the pack train company.

"The regiment consists of headquarters company, A, B, C, D, E, and F companies and the train (supply train) company."

"All the boys are well and say they like the life, food and treatment. There was a ball game between D and F company clubs today and a track meet. Paddy Welsh of Tonopah won the mile race against the field. All are anxious to get orders to go 'over there' and they will surely be heard from. They all say, 'If the boys at home only knew the facts they would all enlist now."

"All the boys say, 'ell the fellows at home to come on and get in the scrap'—and those who can't get in should buy bonds."

## AMUSEMENTS

TOM MIX AND SCHOOL

FILM TODAY AT BUTLER

An exceptionally interesting program has been selected for the Butler today. Added to the regular picture program is the Tonopah school film showing the presentation of the handsome flag to the Tonopah schools by Mr. D. B. Kovacevic, who believes in being loyal to the flag and nation which have been his protection for himself and family for the past sixteen years. The film shows Mr. Kovacevic presenting the flag to the 700 school children reciting the flag salute—close-up views of Women's Relief Corps, teachers, pupils and Boy Scouts, all of whom took part in the ceremony. It is the first exercise of its kind ever held in Tonopah, and will be of great interest to all. The picture was photographed by W. W. Kelly, the Butler's efficient motion picture operator.

The regular feature today is Tom Mix, the premier cowboy of the screen, in "Six-Shooter Andy," a photoplay that gives an intimate idea of history-making in the southwest, with the stirring star in a role for which he seems to have been made. The old gold rush days are pictured in this production, said to have been taken from a real incident that took place in the town of Banack, Nevada, which is all the more interesting on account of being so near home. It is a thrilling story of graft in high places, and of injustice to the miners. Tom Mix, who needs no introduction to Tonopah audiences, does some splendid work and is the center of thrilling situations. There will also be shown the Ford Educational Weekly, which is always interesting and educational.

Tomorrow Mabel Normand, the world-wide favorite, "The Floor Below," a screen sensation of mystery, love and laughter. Do not miss this star. It is her first appearance here in a long time.

"The Kaiser" Saturday. Two matinees, 12:30 and 2:30.
